Shibori with Indigo Dye

Supply List, each student must bring the following:

- Cloth -this can be cotton, rayon or linen cloth, as well as cotton t-shirts or scarves. Please pre-wash all fabrics without fabric softeners or dryer sheets. No silk, please.
- Button Thread
- Hand Sewing Needle (or two) with an eye big enough to fit the heavy thread. If you sew with a thimble, please bring one.
- Sinew or waxed poly string (can be found in the leather section of craft stores) I will have some to share. This is not the book binding sinew.
- Water soluble marker (blue marker or Crayola Washable markers).
- Rubber (dishwashing) gloves. They will get stained, so an old pair is fine.
- Scissors
- Cotton String: anything from pearle cotton to cooking/butcher's twine will work.
- "C" clamps, springs clamps, clothes pins and/or binder clips... you will need several.
- Optional- 3 ft piece of 3" or 4" PVC pipe (it can be longer or a little shorter but not skinnier.) I will be able to bring some...
- Optional-wooden or acrylic cut shapes, should be ¼ - ½" thick, squares, triangles or stars. You can also use paint stirs, or chop sticks.
- **Please wear clothes that you don't mind getting stained.**
