

Saturday Sampler

Saturday Sampler 2021-2022

Saturday Sampler will begin on September 11, 2021 and continue for twelve months, ending August 13, 2022. The two colorways for this year are Red & Blue and Reproduction.

Here is How It Works:

- At 8:00 and 9:00 a.m. on the second Saturday of each month, we will introduce that month's block and give a short demonstration of a technique or tool to make that block. These sessions will be identical, attend only one.
- The first time you attend a Saturday Sampler demonstration, each participant will buy a fabric kit for \$6.00. It contains fabric for one block in the colorway of choice.
- Go home and sew the block. Bring it to the following month's Saturday Sampler demonstration and get the next month's fabric kit free!

There are a Few Conditions:

- Each participant will must have their own copy of the book Cream & Sugar by It's Sew Emma. Books are \$24.95 and should be purchased at Threads of Tradition when you register for Saturday Sampler.
- If you want to make blocks in more than one colorway that is great! However, you only get one free kit per month. You must pay for the additional ones.
- To receive your free kit, you must either attend one of the demonstration on the second Saturday at either 8:00 or 9:00 a.m. OR bring your completed block into the shop anytime in the week following Saturday Sampler- up to and including the third Saturday of the month.
- If you cannot come in during Saturday Sampler week, you can still buy that month's kit for \$6.00 while supplies last. Bring that finished block into the shop anytime during the following month's Saturday Sampler week and your next kit is free.

Monthly Door Prize:

- We highly value the instruction time that we provide each month of Saturday Sampler. To encourage attendance each month, we will be offering each person that attends the demonstration the opportunity to win the door prize for that day. This is a change from previous years. Each person that attends class will be able to enter their name in the drawing that day.
- Challenge blocks will still be available each month as a way to complete the quilt as indicated in the book Cream & Sugar; however, completing the challenge blocks is not part of the drawing.

Inclement Weather:

- During the last ten years, we have not needed to cancel Saturday Sampler due to weather. Since you have the option of bringing your completed block into the shop any time during the week following Saturday Sampler, we will not cancel unless the roads are impossible for staff to get. If you feel the weather is too bad to travel, please stay home on Saturday Sampler day and visit us on the day of your choice in the following week. If we do decide to cancel due to extreme weather, we will not try to reschedule, but will postpone that month's lesson until the next month. To find out if class is still happening or not, you may call 800-590-9755 and the receptionist should have the latest information.
