

Saturday Sampler

September 2024 – August 2025

Saturday Sampler **will begin on September 14, 2024** and continue for twelve months, ending in August 2025. *Quilt Block Genius (Expanded Second Edition)* by Sue Voegtlin is the book that we will be using this year. The two colorways we have chosen are *Light & Bright* and *Tried & True*.

Here is How It Works:

- ✂ At **8:00, 8:45 or 9:30 a.m.** on the second Saturday of each month, quilt shop staff will introduce and provide instruction for that month's block. All three sessions are the same.
- ✂ Each participant will buy a fabric kit the first month for \$6.00. It contains fabric for one block in the colorway of choice.
- ✂ After listening to the instruction, go home and sew the block. Bring the finished block to the following month's Saturday Sampler class and get the next month's fabric kit free
- ✂ Participants must bring in their own finished block to get the next kit free. **Someone else cannot bring your block in for you!! There are no exceptions to this rule!**

There are a Few Conditions:

- ✂ Participants must have their own copy of the book *Quilt Block Genius (Expanded Second Edition)* by Sue Voegtlin. Books are \$24.99 and should be purchased at Threads of Tradition when you register for Saturday Sampler (if participants own the book already, that is fine).
- ✂ **NEW THIS YEAR!!** Space is limited to 40 seats in each of the class sessions. This means that participants will select a class time for the whole year. Switching between class times WILL NOT be a possibility.
- ✂ Participants are welcome to sign-up for more than one colorway; however, you only get one free kit per month. Participants must sign-up and pay for any additional kits.
- ✂ To receive your free kit, you must attend one of the instruction times on the second Saturday **AND** bring your completed block. If you are unable to attend class, you are able to get your free kit if you bring your completed block into the shop anytime in the week following Saturday Sampler (up to and including the third Saturday of the month).
- ✂ If you cannot come in during the week after Saturday Sampler, you can still buy that month's kit for \$6.00 **while supplies last**. If there are no more kits, you will have to select your own fabrics and quilt shop staff will be happy to help you make your choices!

Monthly Door Prize:

- ✂ We value the instruction time that we provide to you at no cost each month of Saturday Sampler. To encourage attendance each month, we will be offering each person that attends the instruction time the opportunity to win the door prize for that day.

Inclement Weather:

- ✂ If you feel the weather is too bad to travel, please stay home on Saturday Sampler day and visit us on any day the following week. If we decide to cancel due to extreme weather, we will not try to reschedule the class. Kits will be available to pick up the following week and quilt shop staff will provide any needed information when you pick up your kit. To find out if class is still happening or cancelled, you may call 800-590-9755 (Heritage Inn) and the receptionist should have the latest information.
- ✂ We will also try to send an email out the day/night before if it is apparent that road conditions will not improve over night.

We are looking forward to another year of quilt making! Thanks for joining us!
