**Guide to the Historic Village**

**A Living Reminder of Black Swamp Heritage**

Your experience at Sauder Village will cover many time periods and highlight many points of interest. The following list will help identify each building’s focus.

1. **Erie’s Farm Shop** - This shop, originally located on the Sauder Family Farm before moving here, is where Sauder Woodworking began when Erie Sauder started working with wood at the age of 16.

2. **Sauder Cabinet Shop** - Paying tribute to the importance of woodworking in this region’s development, this shop displays a unique collection of woodworking tools.

3. **The Basket Shop** - Tandem basket makers are at work each day creating a variety of unique baskets.

4. **Craft Shop** - Watch as crafters blend skill and creativity in handle-on craft-making Woodworkings, rug hooking and other handmade craft demonstrations throughout the season.

5. **The Timmsmith’s Shop** - In this shop, reproductions of 1700s -1800s traditional tinware are created.

6. **Black Swamp Cooperage** - Watch and learn as cooper uses tools and methods that have changed little over the centuries to make barrels and boxes.

7. **Anna’s Spinning Shop** - This shop showcases the tradition of spinning yarn into fibers.

8. **Barbara’s Weaving Shop** - Skilled weavers turn threads and rags into beautiful creations on our barn frame looms.

9. **St. Mark’s Lutheran Church** - This early 1900s church depicts the religious life of the German Lutherans who helped settle this region.

10. **Restrooms**

11b. Museum Building - Visit our exhibit and learn about the Sauder companies, grain, agriculture, the Great Black Swamp and more.

12. **Lauber’s General Store & Herb Shop** - Brings you back to a time when all of your shopping was in one spot. Browse through our wide selection of collectibles, ‘pen’ candy, hard-to-find kitchen items, toys, books, toys and more.

13. **The W.O. Taylor Printing Office** - This shop is a reproduction of the community of Archbold’s first newspaper office. See how printing was done in the early 1900s.

14. **Burlington Glass Works** - The studio of internationally acclaimed glass artist Mark Matthews. You may have a chance to see rags into beautiful creations on our barn frame loom.
