

## **My Trip to Sauder Village**

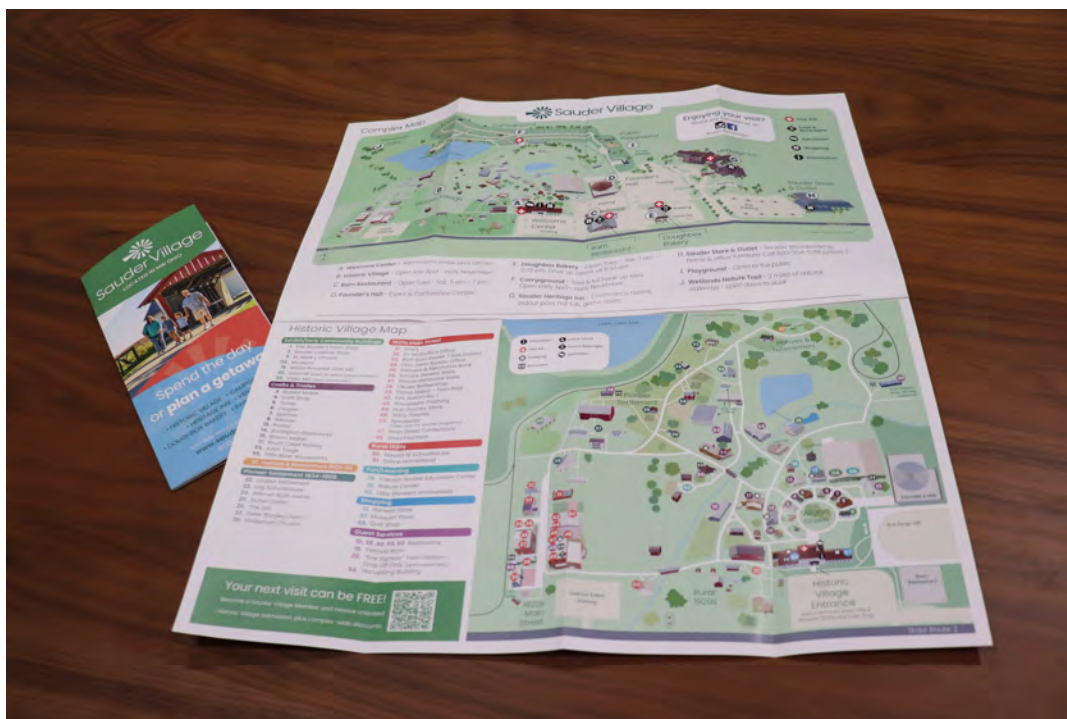

**I am going to visit Sauder Village.**

**I will ride to Sauder Village in a vehicle.**

**I will go to the Welcome Center and stop at the admissions desk to check in and get a sticker to wear.**

**There is a map I can use. The map will tell me the name and number of each building I can visit.**

**After I check in, I will leave the  
Welcome Center and go outside.**

**I will walk around with my group and see many buildings and farm animals. Staying with my group is safe for me.**

**I will see farm animals and some of the animals might make noises. I might hear chickens, turkeys, cows and other animals. The farm animals might smell yucky.**

**If I don't like the sounds, I can cover my ears. The animals won't hurt me, so I'm not scared.**

**The open buildings will have a worker inside that will teach me about the building.**

**When the worker is talking, I listen. If I have a question, I can ask the worker when they are done. I can ask for a break if I need one.**

**I can only go into the buildings that are open. Sometimes a building might be closed. A sign will tell me if the building is closed. When buildings are closed, I cannot go in.**

**I might hear and see the train. If the train is open for rides,  
I can ride the train. The whistle blows loudly and the  
conductor riding the train talks on a microphone.  
I can cover my ears if it's too loud.**

**I might also see a horse and carriage moving around the Village. If I see the horse and carriage, I should walk on the side of the path. I cannot pet the horses, but I can watch them go by. The horses won't hurt me. If the carriage is open for rides, I can go for a ride in the carriage.**

**I can bring a drink with me. If I get thirsty, I can have a drink. I can get water from a drinking fountain too.**

**I can bring a snack to eat while at the Village. If I'm hungry, I can find a place to sit and eat. The soda fountain may be open and I can buy food in there too.**

**I might have to go to the bathroom. The map will show me where the bathrooms are located.**

**When I am finished going in the buildings, I can walk back to the Welcome Center. I will go back to my vehicle. I am done at Sauder Village.**
