The Barn Restaurant's History

The Barn Restaurant began its life nearly 165 years ago as a barn on the farm of Mose Stutzman just 2 miles northeast of where you are sitting. It took five days in 1974 to move it across frozen fields to where it sits today. We first opened our doors in 1976 as "Die Alt Scheier." An addition was added in 1990, and the Barn Restaurant became the unique dining restaurant it is today. Be sure to stop in the lobby and see the display of pictures of the old barn before it was moved.
